

Candidate Name

Why I'm running

Enter a brief description of why you're running for this BoD Position. What is it about the brand, the club, your passions, your skills that makes you want to be a BoD member.

Background and enthusiasm

Please describe what background you have the makes you a good candidate for the Board of Directors.

Specific Expertise

Please describe what life experiences that you've had that make you a good candidate for this position. For example, you might be in finance, or technology, or sales, or marketing, or in the legal domain, all domains for which the club would have an obvious need for your skills.

Perhaps you've been an event planner, or are responsible for building and developing relationships with suppliers, vendors, or customers. Once again, skills and experience in these areas could easily be capitalized on by the Board.

Professional & Other Certifications

Please provide information about any professional certifications that you might have that are relevant. Also, please provide a list of any motorsports related certifications that you might have. For example, are you an Audi Certified instructor? Have you been SCCA licensed in the past?

Your commitment

If you become a Board Member, you'll have a chance to influence the decisions and direction of the Club. The members are very much interested in your vision of the club, and it's future. Please briefly describe your vision of the club for the future, both near term and long term.
